

MANY LITTLE BAR AND BISTRO

ESTABLISHED 2018

BAR & BISTRO

Many Little is a new all-day bar and bistro designed specifically with locals in mind. Located in the heart of Red Hill, offering breakfast, lunch and dinner, together with a full service bar, extensive cocktail list and a casual outdoor setting.

A space that caters to more than 190 people, Many Little is dotted with intimate spaces but also boasts a beer garden in the open courtyard which overlooks the enviable views of the adjoining farmland. The restaurant is dotted with intimate spaces, catering to both local and visiting clientele. The bar has been designed, as a main feature of the venue with the ability to showcase local producers, and provide a relaxed setting for guests to enjoy.

The winelist focuses on Victorian wines, local beers on tap, and offers a carefully curated selection of the the best boutique spirits from around the globe. The cellar door offers a chance to take home local Mornington Peninsula wines, as well as tastings of the Polperro and Even Keel wines on the weekends.

Being the little sister of Polperro Winery, the name originates from a Cornish saying 'many a little makes a mickle' – when together, many small things make something great – Many Little is a nod to the members of the local community who have contributed to making Red Hill the charming and thriving place it is today.
